Selectmen's Meeting

NEEDS COMM.

Chairman of the Public Building Needs Committee Harold Roeder reported to Selectmen R. William Blasdale and John DeCosta that the committee has interviewed 5 architectural firms, has obtained an estimate of one million dollars for the building, has a drawing to scale containing everything that the police and fire officials want and are ready to proceed with the hiring of an architect.

Mr. Roeder asked whether the Selectmen have made any progress with land acquisition preliminaries. He stated that the town must be ready to move immediately to acquire government money and should have land ownership and drawings prepared. He reported that his committee has 2 plots of land under consideration both located on the straightaway of Route 6 and one with a sewer connection. One plot has 6 acres and the other is of more acreage.

Selectman Blasdale, acting as chairman, stated the immediate goal which was to find

a site and purchase it in answer to the question as to what the Needs Committee should do.

Mr. Roeder said that he is completing preliminary drawings to scale containing everything asked for by the police and fire chiefs and their lieutenants and has been given an estimate of about $40. per foot for construction. He said that the fire department side has a second floor for dormitories for a possible permanent fire department but the police side has no need for such room so that the second floor would be an empty shell available for any application. He said the architects estimate the cost of $1,000,000.00 and the architects' fee would be about 8% to 10%. The committee has narrowed the likely choice to Brown and Linquist of Yarmouthport and Hughes & MacCarthy as likely to perform the best service for the town.

Mr. Blasdale said that the next step is to determine what the Board of Selectmen is supposed to do about the land and to hire an architect.

MOSQUITOES

Linda Francis of the Mosquito Control Committee met with Selectmen. She said that the first spray from helicopter was of larvacide and so would have no effect on mosquitoes in the active stage. Also, the rain immediately following the spray nullified the effect. She said that immediately after July 1 the town will be sprayed with insecticide to kill mosquitoes on the wing with the exception of the village area which will not be sprayed at all. The Town Hall has received so many requests from residents of the village not to spray that it is impossible to be selective enough to spray either from the air or from truck with fog. Outside the village, if residents are extremely harassed they can call the Town Hall and request ground fogging by the county which will come out anytime, she said.

HARBORMASTER HAS NO MONEY

Harbormaster Karl Collyer informed Selectmen that he has a balance of $5.38 in assets and $95.92 in liabilities for 22 hours of wages for which no money remains in his budget. Mr. Blasdale noted that $750. was appropriated at the annual town meeting for the year. Subsequently $200. was transferred from the reserve fund to the harbormaster account. Then, $608. was transferred from the anti-recessional account for a total of $1558. Mr. Collyer estimated that he would need 10 hours per week until the end of June which added to the 22 hours would round at $4.35 per hour to a total of $300. plus $100. to prepare the harbormaster boat for the water. The Selectmen will seek the $400. total from the Finance Committee.

Collyer also reported that he has received many complaints from out of town boatmen about the charge for wharf parking. He said that these people say they trade in town, have their boats hauled here and have parked on the wharf for years without charge. They resent being charged now for parking, he said. The Selectmen will study the matter Blasdale told Collyer.

July 4th Parade -MARION

The Marion V.F. W. held a meeting recently with the chairman, William Lowe, to begin formulating plans for the annual 4th of July Parade to be held in Marion. The marching route will be the same as it has been in the past, starting and finishing at the Town House Field on Main Street.

Discussion was held and suggestions made on how to increase participation of floats and family groups. These two categories have been falling off in recent years and they would like more participation.

Cash awards will be given again this year for the Best in Parade and the Marion Marching Band will be on hand again. Plans are being made to hire another Drum and Bugle Corp.

Trophies and ribbons will be given for first and second place; ribbons for third and fourth place for the following categories: marching unit, Junior marching unit, color guard, patriotic float, civic float, commercial float, family groups, most original, most historical, horse drawn, horseback.

Letters and entry forms are in the process of being made up to be sent to all organizations in the area. If you do not receive one and would like to participate call William Lowe, 748-0544.

Marion Horse Show

Plans are in the process of being completed for the 32nd Annual Marion Horse Show to be held July 4th at the Washburn Memorial Park in Marion. According to President James A. Hartshorn, this year's show should prove to be one of the most popular and certainly the outstanding attraction in the area. Beginning at 9 A.M. on July 4th and continuing until late afternoon, there will be over 42 equestrian events held in two rings and attracting participants from all over New England.

As part of the Horse Show, a Midway will be featured with games of skill and chance, pony rides, and the ever popular punch board stand. In addition there will be food booths operated by the Old Rochester Regional Class and featuring such goodies as hamburgers, hot dogs, corn on the cob, coffee, cold drinks, etc. Chances will be available for a grand prize of $300.00 to be drawn at 6 P.M.

Everyone is invited, both young and old, for what has proven to be an exciting and interesting day for the whole family.

THANKS FOR DEDICATION & EXCELLENCE

On Sunday, June 25th, from 2:00 to 4:00 P.M. at Old Hammondtown School residents of Mattapoisett will pay tribute to three very special people. Selectmen and school officials will join members of the Lions Club, St. Anthony's Women's Guild and other organizations, as well as friends and co-workers in extending their thanks and congratulations to Marjorie Bertram, Elizabeth Cushman and Clara Morgan on their retirement from the Mattapoisett school system.

Among them, these three ladies have given countless years to teaching the children of our town. There can be very few families who have not had some member taught by one of these teachers. Each, with her own style, has brought a standard of excellence to the classroom. It is that excellence, so often the exception rather than the rule in our society today, that makes these ladies special.

An invitation is extended by the Mattapoisett P.T.C. to all the residents of our town to come to Old Hammondtown on Sun-

Gateway Players

"BORN YESTERDAY" SUCCEEDS HILARIOUSLY - Review: Edith Byrnes

Wareham's Gateway Players are at it again with a very funny production of Garson Kanin's popular comedy "Born Yesterday". This picaresque romp remains one of this century's best American comedies and perhaps Mr. Kanin's finest plays. Laugh upon laugh has been constructed into this study of Washington's political games and decadence.

In the demanding role of Billie Dawn, Katheryn Cabral is divine; a hybrid cross between Barbara Streisand and Ruth Gordon Kanin. Most gloriously she makes the prototype of the dumb blond her own invention. Larry Bennett gives his finest performance to date as the rough hoodlum Harry Brock. The scenes with Ms. Cabral are afire with romantic violence. Mike McNamara is cynically right as the intellectual magazine writer brought in to smarten Billie Dawn up.

Paul Holden makes attorney Ed Devery a more memorable role than in earlier versions. He catches wryness and has much appeal. Helen Maloney and Charles Frost are heavenly as the corrupt Senator Hedges and snooty

O.R.R. Girls' Track

The Old Rochester Girls' Track Team was honored at its 10th Annual Banquet with 250 friends and relatives in attendance.

Other guests attending the Banquet were Principal David Hagen, Acting Superintendent George Austin, and the District's new Superintendent, Ms. Joan Walsh, all of whom congratulated the team on its remarkable ten year history.

The team has won more championships than any other team in the school's history, has had an overall 88% winning record over ten years, and its Freshman-Sophomore teams have never been beaten.

Ms. Walsh expressed her pleasure at being invited to her first activity at Old Rochester by a woman's team and how involvement in a very positive program can only help foster many creative and successful women for today's world.

Foreign exchange students Eila Kares of Finland and Christina Kohl of Sweden spoke to the crown on their experiences with the team and the many memories and awards they would take home with them.

Movies and slides of the team this season were shown and commented on by the coaches.

Human Services

PROGRAM ON ALCOHOL IN MARION

The problems of alcohol and its misuse were exemplified in film, lecture, and discussion for clergymen and women at a program held at the Marion Center for Human Services, Marion. The day long event, sponsored by the Marion Ecumenical Council, was presented in response to a request by the Council for recent information on methods of Intervention, Prevention, and Treatment in the field of Alcohol and Substance Abuse.

The overall theme of the program, "The Role of the Clergy in Therapeutic Community", was defined with discernment and humor by Father Thomas Grannel of St. Joseph's Church, Fairhaven; and the Rev. Monte Pearse of the Cape Cod Counseling Service, Inc., Hyannis.

Following the presentation of a film "Chalk Talk", written and narrated by Father Joseph Martin, on Alcohol, Alcoholism and Attitudes, the subjects were discussed in small group interaction and open dialogue.

The role of the family and their position in relation to the active substance abuser was depicted in mini-meetings conducted

by A.A. and Al-Anon. Representatives from these two groups answered questions on enabling behavior, the effect the illness had upon them as individuals and how to help children as well as parents in the goal of total family treatment and rehabilitation.

A visual aid presentation by Rev. Pearse illustrated new approaches to helping the active alcoholic through working with immediate family and others close to him and provided specific examples of direct help available from those in the helping profession and cooperating agencies. The film, "The Summer We Moved to Elm Street", was also shown indicating the need for such help and the consequences of lack of intervention for the alcoholic and his family.

A spokesman for the Center said "we are especially grateful for the opportunity of being a part of bringing together those men and women, the clergy, whose profession deals with the values in our lives. For it is no longer necessary for the sick individual or his family to have these values reach the lowest level before they can be helped - to be the people they wish to be, in their families and in their communities."

Plans by the Marion Center for Human Services include the continuance of seminars providing leaders in the community (both professional and non-professional) with on-going programs designed to meet the specific needs of that group in relation to the problems of substance abuse.

HARVARD PRIZE BOOK RECIPIENT

Caroline L. Sanford, a Junior at Bishop Stang High School, was recently presented the Harvard Prize Book at the school's Awards Night. She is the daughter of Mr. and Mrs. Ralph Sanford of Mattapoisett.

At Stang, the Harvard Book is traditionally awarded to the outstanding Junior boy. However, this year tradition was broken and it was awarded to Caroline. The selection of the recipient is based on outstanding scholarship achievement and extracurricular activities. Each year the Harvard Prize Book, with its message from Harvard to the secondary schools, is presented, with appropriate remarks, usually made by a graduate of Harvard University. This year Mr. John Mercer, a Stang science teacher and Harvard alumnus, presented the Harvard Prize Book.
